

Let's build the future of play —together!

Mini Playground Rebuild

The Mini Playground has reached the end of its lifespan and needs to be replaced in 2026.

The Signal Hill School Enhancement Society (SHSES) is the parent fundraising group responsible for funding its replacement.

You Can Help!

The Playground Committee is actively seeking support from parents, neighbors, and community members.

Volunteer, donate, or spread the word—every bit counts!

Your support will help build modern, inclusive, and accessible playgrounds for Battalion Park School and the Signal Hill community.

This is our chance to create something special for generations to come.
