

HELP US BUILD A PLAYGROUND

Battalion Park School's Playgrounds Need Replacing

The Parent Society is leading
a community-driven effort to bring two new
playgrounds to Battalion Park School.

Be part of creating a safe and
accessible fun space for our children.

Why Your Support Matters

The Calgary Board of Education does not have funding to support these projects.

It is the responsibility of the Society to fundraise for these replacements.

We need community support to achieve this. Once completed, the playground will be an investment for our community.

How We'll Reach Our Goal

Our funding will come from grants, fundraising events, and generous donations from people like you.
