SCHOOL YEAR END MESSAGE

Dear Battalion Park Families,

THANK YOU FOR A GREAT YEAR!

As the 2024–2025 school year winds down, I want to thank all the families who supported our fundraising programs—especially our amazing volunteers. Your time and efforts made it possible for the Society to enhance student learning with more library furniture. Now, an entire class can enjoy the comforts of reading at BPS!

“MINI” PLAYGROUND REPLACEMENT - AUGUST 2026

We have about 10 months left to secure full funding to replace the Mini playground in August 2026. Funding must be secured by March 2026 to place the order in April 2026. The Society is leading this project through grants, donations, and community support. Before the end of the school year, students and families will be sent surveys to provide input on the design. Final design will be announced in Fall 2025.

STAY CONNECTED

In addition to the society website, keep updated on Healthy Hunger snack dates, and more, by joining our **Facebook group: Friends of Battalion Park School.**

Wishing you all a wonderful and safe summer.

Kind regards,
Brian McKinnon, President, SHSES
